- Access to an extensive national and international research network
- Participation in international summer/winter schools and conferences

### What do we expect?

- Very good Master's degree in Economics or related fields (at the time of starting)
- Very good knowledge of micro-econometrics
- Decent skills in statistical software (Stata or similar)
- Dedication to unique and sophisticated research in the area of public economics
- Interest in teaching in the area of public economics
- Enjoyment of independent problem-solving
- Proficiency in English
- Basic knowledge of the German language

Please refer to our website [fiwi.uni-hohenheim.de/en/](https://fiwi.uni-hohenheim.de/en/) for further information on our research and teaching activities.

The University of Hohenheim seeks to increase the proportion of women in research and teaching and strongly encourages qualified women to apply. With equal qualifications, preference will be given to candidates with disabilities.

### How to apply?

Applications (cover letter, CV, transcript of grades) as **one single pdf file** to Verena Christl ([verena.christl@uni-hohenheim.de](mailto:verena.christl@uni-hohenheim.de)). Optionally, you may additionally submit one letter of recommendation (sent separately), and a writing sample (such as a research paper, a bachelor or master thesis). The application deadline is **November 9, 2022**.

If you have any questions regarding the position contact Professor Dr. Nadja Dwenger ([nadja.dwenger@uni-hohenheim.de](mailto:nadja.dwenger@uni-hohenheim.de)).
