

The Chair of Public Economics deals with the economic activities of the state. Using empirical and experimental methods, we strive for excellent research to foster our understanding of how government actions affect the behavior of individuals and firms. In our teaching, we offer courses at the Bachelor, Master and PhD level.

We are seeking a

## Student Assistant (m/w/d)

with weekly working hours between 3 and 7 hours.

### Your tasks:

- Support our research activities e.g., with literature searches, data preparation.
- Support our teaching activities, e.g., with research for teaching presentations, advancing our online tools.
- Provide technical support, e.g., by recording our courses.
- Provide general support, e.g., by helping with our library or by digitizing documents.
- Assist in organizing and carrying out events of the chair or the Economics Department.

### Your qualifications:

- Good computer skills (Microsoft Office, Stata / R / Python).
- Interest in empirical and experimental work.
- Good grades in your studies.
- Reliable and friendly working attitude.
